A photograph of a man in profile, wearing a brown patterned shawl, handling large green sacks. The background is a cloudy sky. The text is overlaid on a blue rectangular background.

400 Million uninsured & the risk of climate change: An opportunity or a disaster in the making?

David Crawford, Head
Humanitarian Department, IRW

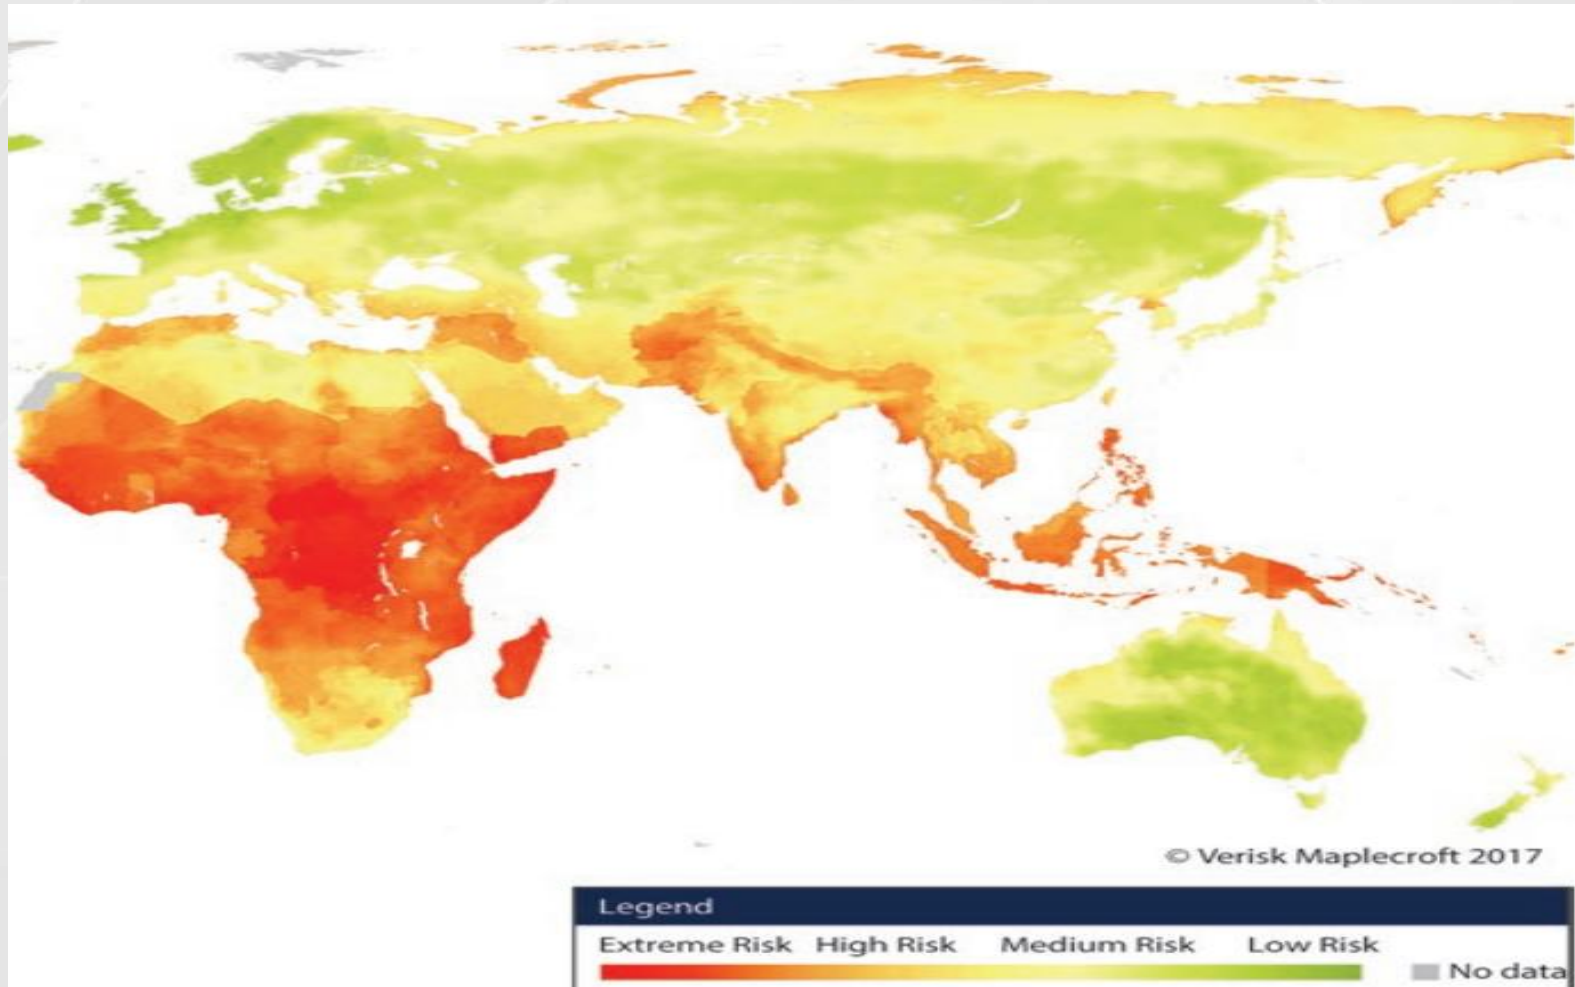

The problem

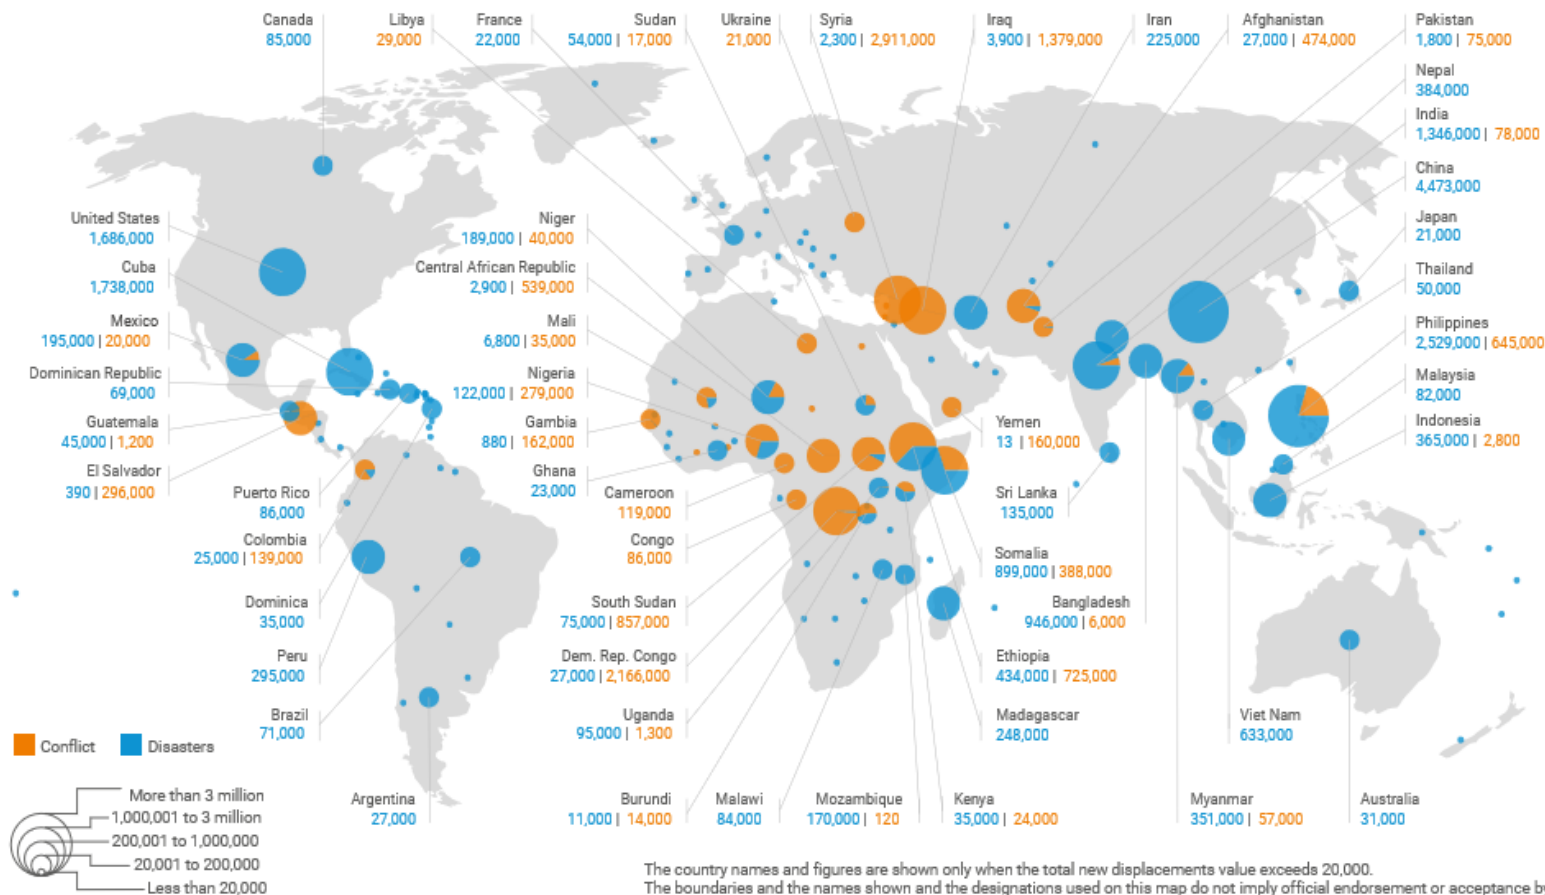

It's clear. Business as usual can no longer cut it. We need a new approach to humanitarian aid"

UN Office for the Coordination of Humanitarian
Affairs

Climate change risk 'hotspots'

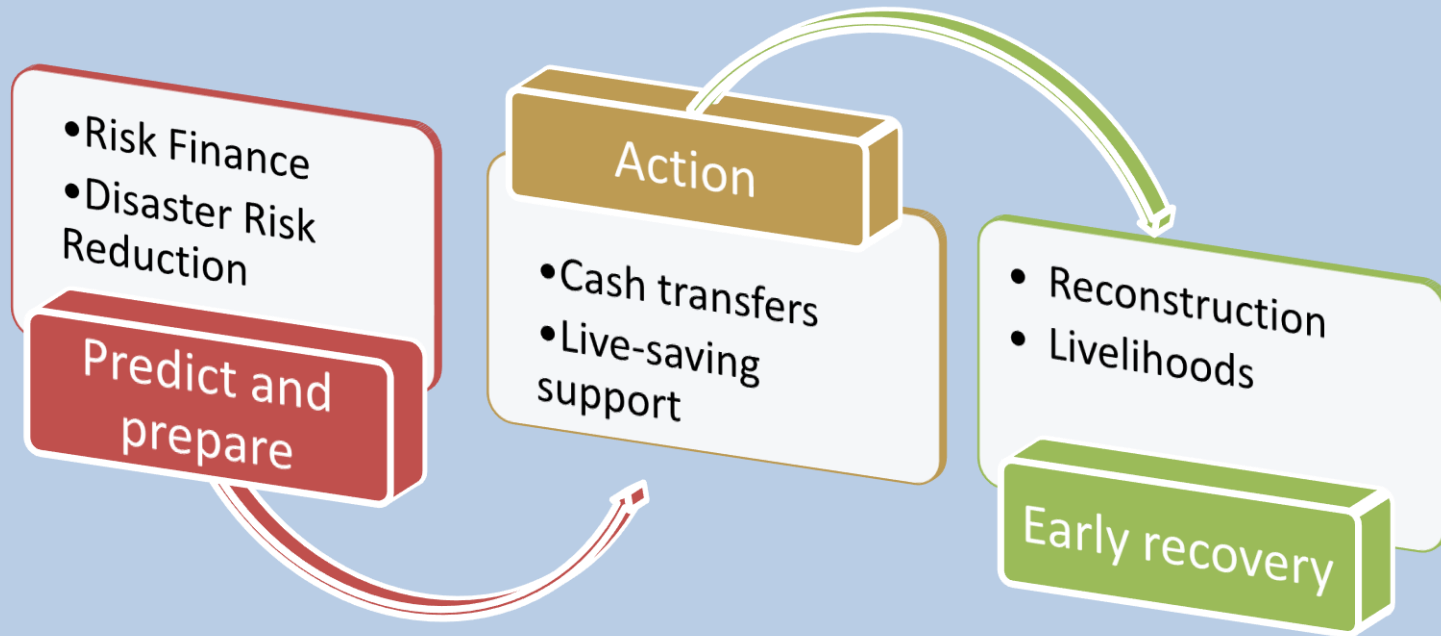

Climate change & migration
